(2) A routine police report (SEO/2933) from the chief of the CHEJU Police Division to the chief of the First Administrative Police Division, is quoted in part:

"This is a report on illegal acts of some men of the Coast Defense Garrison. (Note: Korean Coast Guard).

"According to a report made by a man named CHANG who lives in CHEJU DO[1], some dishonest members of the Coast Defense Garrison who are on patrol off PUSAN often buy up goods and bootleg them the same as though they were profiteers when they detect smuggling ships that are on the way back to KOREA from JAPAN with merchandise. They are also easily bribed. They usually give tacit consent and overlook smugglers when they have been bribed with a large amount of money."
