a. Election and Pre-Election Activities

As of 101200 May the Korean National election was apparently progressing as planned. Pre-election communist violence consisted mostly of sabotage to communications with the heaviest concentration of activities in KYONGSANG-PUKTO, KYONGSANG-NAMDO, CHOLLA-NAMDO and KANGWON-DO.

Information has been received that election day activities will be concentrated particularly on attacks on voting booths and on the destruction of ballots by arson. Reports received up to the end of the period indicate that the majority of attacks on voting booths are occurring in TAEGU, KYONGSANG-PUKTO.
