WEEKLY ACTIVITIES OF FMAG

CG, USAFIK
cc: Gen Helmick

Chief
FMAG

11 Oct 1948

WLR:ee

1. Advisor to Minister of National Defense lectured 2 hours to Officers' Training School, 7 October. Objective mainly to impress senior Korean Officers that senior Officers in American Army may instruct without loss of dignity.

2. CG, USAFIK inspected Korean Officers' Training School 7 October.

3. Mixed group of senior Korean and American Officers visited Cheju Do week-end 3 October. Report indicates quiet after initial raid. However, other activities are expected in this locality which is believed to be partially organized by the South Korean Labor Party, a subversive group. Excellent cooperation between Police, Constabulary, Coast Guard and local officials. Central Intelligence Agency organized to collect and use information from all sources, established during week, under G-2. Additional Battalion preparing to move to Cheju Do. To move o/a 20 October. All planning and Staff work being done by Koreans. Supply deficiencies found by group being rectified. Believe move and any minor operations held there are best training troops and leaders can get.
