

From: Cheju-do Emergency Guard Commander  
Received at PMAG G-2 231429

1. According to the Constabulary side here a ship on which Constabulary aiding company is sailing toward Cheju-do about 231700

2. On inquiry the Constabulary Regt. Commander said it is difficult to interpret the ship as aiding soldiers because there was no order.

3. On inquiry the 7th Div Police informed that 700 Constabulary men in Pusan were sent to Yosu. But no company was sent to Cheju-do.

4. It is guessed they are rebels. If not, they are landing on some purpose.

5. It is determined ~~not~~ to attack them before landing, by Police.
