1. Investigation into selling Army supplies in 5th Brigade completed. Found no shortage and all accounted for. Brigade Finance Officer short over 1,000,000 won. 4th Regtl CO was found responsible for misuse of 4,811,770 won. Inspector recommended that 4th Regtl CO be dismissed and further finance investigation be made of C/S and Finance Officer. In Korean hands for action.

2. Mr Heming, Requirements Section, USOCG, investigated for us, while in Japan, the status of ammunition and spare parts for Jap 99 Rifles. He states there is some in Japan. As the new brigade now in process of organization is planning on using some of these Jap rifles, an adequate supply of ammo is desired. Requisition for an adequate amount is being prepared.

3. CHEJU DO - Raiders burned estimated 700 houses in Namwon (Cheju do) and killed estimated 55 civilians. Reports give about 500 in raiding party, several hundred unarmed. Army troops pursuing after being tardily informed.

4. Since the ~~equipment~~ of the 7th Div Ren troop will not be available for turn-over to Korean Army for some time to come, request is being prepared for delivery from United States.

5. 113,000 rounds 105 ammo received at Pusan, consigned to Korean Army.

6. Correspondence Course Section being set up at Hq, KA.

7. Reported attack yesterday at Naesong by 300 denied by CIC. Only casualties found were two cows.

8. Hand grenade heaved into Police box Incheon yesterday.

9. Defense Minister earnestly requests as follows:

a. Some small Naval ships, such as destroyers, escorts or submarines and PT boats, in order to stop Communist invasion from the West (China Coast Communists).

b. Some combat airplanes.

c. More arms so that reservists may be armed.

d. Several technicians to supervise making of mines, explosives, etc.
