

319.1

WEEKLY ACTIVITIES OF KNAG
7 Feb - 13 Feb 1949

CG, USAFIK

Chief, KNAG

14 Feb 49 WRH:md

1. Secretary Royall briefed at KNAG and DND from 1100 - 1230 and briefing continued 1445 - 1530 USAFIK conference room, 8 Feb 1949.

2. Portfolio on history, organization, etc. on Army, Navy and Police presented upon departure.

3. Recommendations for future Table of Distribution of KNAG presented to Secretary on his departure.

4. Korean Army held a conference 11 Feb 49 for the purpose of correcting certain weaknesses in the Army supply and accountability system. American Advisors attended. Full agreement was reached. This should make great improvements in the future.

5. A much intensified schedule for training the Korean Army has been laid out with the 5th Regimental Combat Team. This training will consist of demonstrations by the Combat Team on small unit tactics, to include the company, and on the job training for certain commanders and unit staffs.

6. Operations:

a. Cheju Do - Operations have been intensified on Cheju Do in an effort to bring current operations to a rapid, successful conclusion.

b. Honam - As in Cheju Do, operations, this operation has been intensified with initial successes.

c. Pehang - Reference the Pehang rebellion, a total of eleven (11) rebels have been captured. Approximately 35 rebels are at large, these rebels have changed into civilian clothes. Korean Army considers this a police job from here on out. All data reference the escaped rebels has been turned over to the police.

d. 1st Brigade has been operating against small groups of the North Korean Army that crossed the 38° parallel (see "Results of Operations").

7. Results of operations to 13 February 1949:
