G-3 OPERATIONS REPORT

4. MISCELLANEOUS

b. Korean Constabulary Headquarters reports during the period 5 through 12 May 1949, 67 guerrillas killed or wounded and 42 captured in the Chiri-San area (1073-1375); 532 killed or wounded in the area adjacent to and south of the 38° North Parallel; and 2 killed or wounded and 47 captured at Cheju-Do (915-1151); Total for the period: 601 killed or wounded and 89 captured. Comment: The 532 killed or wounded in the area adjacent to and south of the 38° North Parallel include the figures reported by Korean Constabulary units for the action that took place north of and in the vicinity of Kaesong (950.8-1590.8) during 3 to 6 May 1949. This office regards these figures as exaggerated.
