

- (b) CHEJU (951 - 1151) - Additional data on the recent strike (Reference G-2 Reports #511, 13 March 47, through #513, 15 March 47, #515, 17 March 47, through #517, 19 March 47): In CHEJU City all MG employees except the Police and the Korean Governor joined the strikers. The police, who were sent from the mainland, operated the CHEJU City power plant. A MG Major went to MOSULPO (935 - 1117) during the strike and found that the entire police department had joined the strikers. Posters denounced U. S. Imperialism were found throughout the City of MOSULPO. The Korean Constabulary, stationed near MOSULPO, did not join the strike.

- (1) Extract KWANGJU CIC Report #539, 22 March 1947: "At 0915, 22 March 47, an illegal meeting of about 150 Military Government officials was held in the rear of the Provincial Capitol grounds. The meeting lasted about 20 minutes and broke up upon the appearance of the MG Chief of Civil Affairs Officer (Military Governor). Although it appeared as if the meeting was instigated by a few disgruntled MG employees, agitators could be seen moving through the crowd and probably the real leaders back of the meeting were not among the si-
