The tempo of Civil Disturbances in the 6th Inf Div zone of responsibility is still increasing. Records of the G-2 Office disclose that a total of 202 riots and disturbances have taken place in 127 different cities and towns, during the past three months. This is a daily average of 2.2 riots and disturbances. The causes of these civil disturbances are the same as those previously listed in the summaries contained in G-2 Report #630, 10 July 47 and G-2 Report #644, 24 July 47.
