13. Delayed report from Chaju Do indicates healthy army activity, particularly in raids; systems in patrolling attacks and excellent cooperation with Police. Central Intelligence Agency working very well. Major Song, Regt 1 CO, strong and active. Activities noted:

28 October: 50 raiders attacked, repulsed. Police casualties, 4 Killed 5 wounded. At least 8 raiders killed.

28 October: Many stone road blocks erected.

28 October: 9th Regt 1 CO arrested 17 men of Regt (a cell).

29 October: Engagement KC vs Rebels, estimates of 100 to 135 raiders dead.

Present activities characterized by nuisance raids against police and Army, and not against civilians with organized forces having upper hand.

18. Lee Duk Ku, Red leader, killed 29 October, has been identified. Said to be Number 1 leader there at time of death.
