8. Operations:

c. Cheju Do: 8 incidents reported during period with following results: Enemy KIA 66; WIA and MIA 0; POW 628.
KA: KIA 0; WIA, POW and MIA 0.

d. Opns in general:

Increase in incidents along 38th parallel noted - (5 incidents preceding wk; 12 incidents current report). In view of the fact, ROK forces suffered no casualties, the increase not considered serious.

Opns on Cheju Do suspended from 0800 26 Apr to 1800 29 Apr. During this period, 40 POWs were permitted to return to mountains to request remaining guerrillas to lay down arms and surrender. Results of this action unknown at this time. On 24 Apr, 1310 POWs were screened, oriented, permitted to return home. 1 Bn of 2nd Regt now under orders to move to mainland where they will billet at Kwangju. Situation on Cheju Do will be watched very closely and as dictated by situation, addtl trps will be retd to mainland until one Bn remains.
