VI. ADMINISTRATION.

1. Attached for information is an organization chart of CIC-Korea which is explained as follows:

a. In actuality all sections listed under and including Operations and Administration comprise headquarters, CIC-Korea. Operationally, information and cases go from Operations to the interested headquarters section and thence to the district offices. Completed investigations are returned through the same channels.

b. Master files of CIC*Korea are maintained by personnel of the Seoul District Office.

c. E.S. and M. Section deals with espionage, sabotage, and miscellaneous cases. In addition, because of the recent reign of terrorism, incidents of terroristic activity come through this section.

d. Special Squad is responsible for Korean personnel, the document section, special projects, and the preparation of cases for prosecution and final compilation.

e. The Political Section initiates investigations of a political nature and compiles all information pertaining to political personalities, groups and trends.

f. Reports section is responsible for the daily periodic report, the Weekly Information Bulletin, the Semi-Monthly report prepared for the 441st CIC detachment and the Monthly Information Report prepared for the War Department.

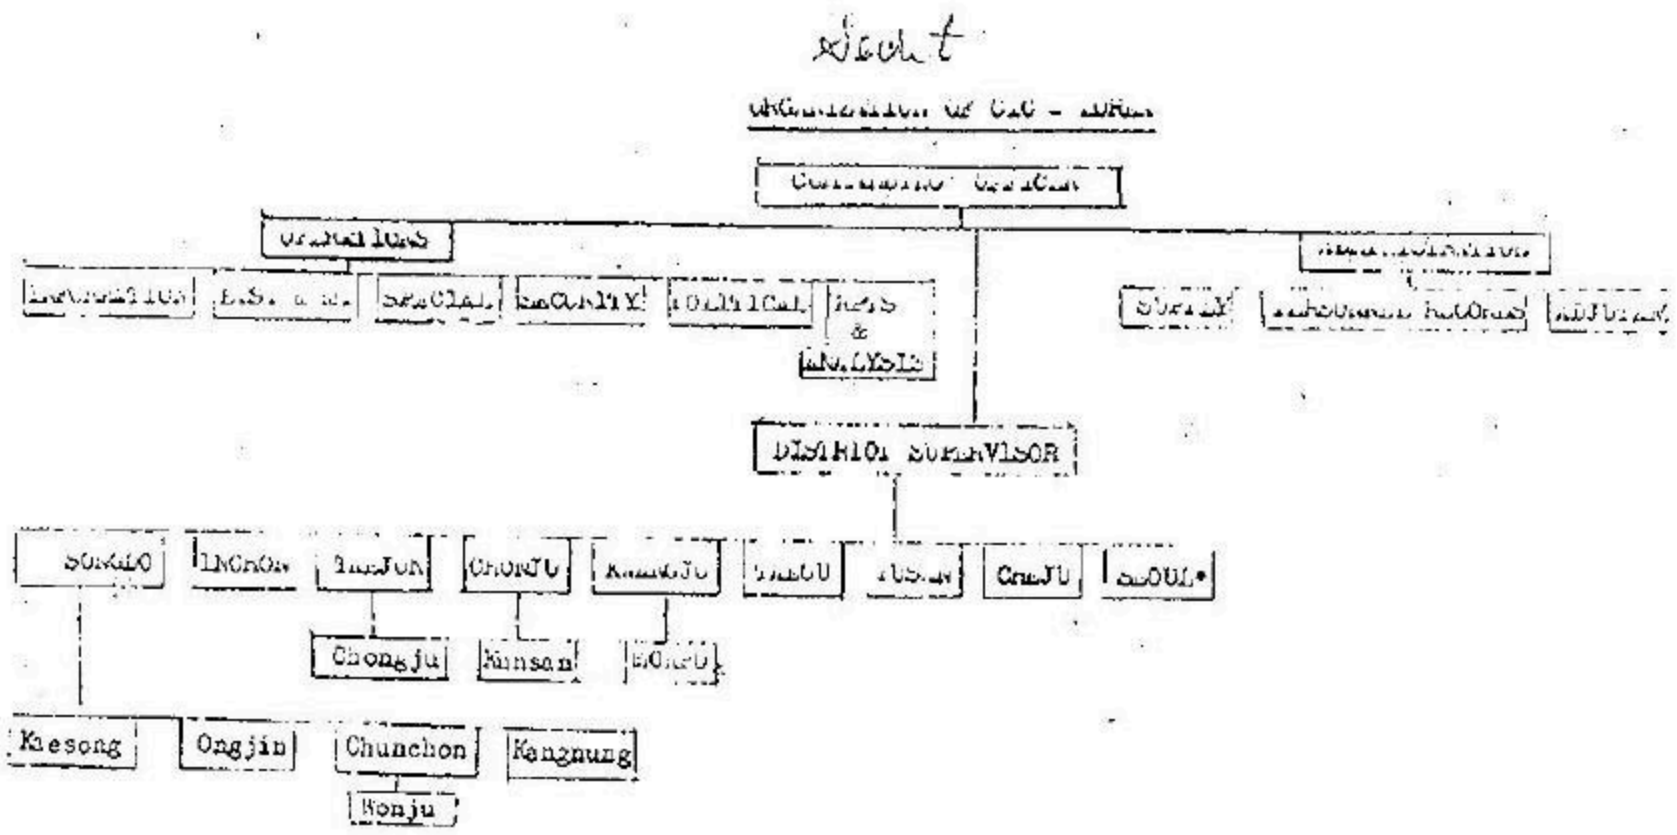

g. The Security Section initiates and processes all cases of loyalty checks on U.S. Military and civilian personnel and on Korean personnel, cryptographic clearances, determination of U.S. citizenship, disaffection, CIC personnel and applicants, and violations of AR 380-5. Security surveys are also the concern of the section.

h. The District Supervisor conducts liaison and gives supervision to all district offices working closely with operation and administration sections.

i. The Information Section collects and reports intelligence information on North Korea and adjacent territories and is responsible for special projects pertaining thereto.

TO : All District Offices, CIC-Korea.

I. POLITICAL SECTION. (Confidential)

3. Miscellaneous.

A. Strikes - On Cheju Island on 2 June approximately 180 students of the 3rd year class of the Cheju Girls Middle School went on strike. Demands for the most part are levied against the principal and insist on (a) higher type courses, (b) a stop to fascistic education, (c) ousting of fascistic molecules in the school, (d) a correction of the principals actions. No political significance has been noted as yet, however, the cry against fascistic elements and domination sounds vaguely familiar carrying a "red" undertone.

3. Terrorism.

[illegible] comes a report on an illegal meeting held by the SKLP in that sector. The meeting seemed to be a spontaneous gathering of SKLP members as no prior notice had been given of the meeting. Speeches given at the meeting concerned the financial status of the organization, the necessity of raising money and reason and purpose of same as well as the possible elimination of the 38th parallel resulting from agreements reached at the Joint Commission
