• 남군지역 우익단체 가입 급증(1947. 5. 15)

15 May 1947

SUBJECT: Counter Intelligence Corps Semi-Monthly Report.

No. 10

Period Covered: 1 May 1947 to 15 May 1947.

3. Political Activity:

(2). May Day Disturbances Surprisingly Small:

Some trouble was anticipated in Cheju Do (950-1150) due to the ever increasing number of people in the South Gun districts swinging to the right. The Korean Independence Party (Tong Nip Dang) for the first time has become openly active. The main reasons for this increase is the strenuous recruiting activities carried out by the rightists in that area and the open fight against the 'leftists' waged by the police.
