Leftists Infiltrate Rightist Groups

According to the chairman of the UNITED YOUNG MEN'S PARTY on CHEJU-DO, left-wing groups on the island appear to have received orders to infiltrate right-wing groups there. Several attempts have been made recently by known leftists to join the UNITED YOUNG MEN'S PARTY, the NORTH EAST YOUNG MEN'S ASSOCIATION, and even the neutral KOREAN NATIONAL YOUTH CORPS. (CIC S/I)

COMMENT: Of these groups the NATIONAL YOUTH CORPS, SKIG-sponsored, welcomes leftist members. Ostensibly non-partisan, the group re-indoctrinates its leftist recruits.

d. Military Governor Visits CHEJU-DO

Schools were dismissed and work was suspended in CHEJU (950-1150) last week during the new military governor's visit to CHEJU-DO Island. Large numbers of people stood in respectful silence as the governor passed through the town of CHEJU. He made a brief talk on the need for team-work in overcoming the difficulties of setting KOREA up as an independent nation. Provincial Governor RYU Hai Chin spoke briefly and politely in assurance of the general cooperation which the governor could expect. (CIC P/R #704)
