San area. Korean repts state combined group will cross parallel to safety North Korea while NK border forces create diversionary incidents east and west of crossing.

Comment:

Believed guerrillas will remain south possibly in Odae San area where reinforcement, reequipment and reindoctrination can be accomplished.

DTG: 242300Z JOINT WEEKA 12 24 Mar 50

3. 28th Army and police operations against guerrillas repts. All minor except:

D. On or about 10 Mar repts recd Kim Tal San number 1 guerrilla ldr in SK leading approx 80 guerrillas to NK or Odae-San (1126-1692) area (see JOINT WEEKA 11). Again on or about 10 Mar elements 8th Div engaged appror 30 men (heading North) in short fire fight. Two prisoners identified themselves as members of Kim Tal San Unit. Series of police and Army repts to 21 Mar traced unit to south boundry of 8th Div near Konyang San (1074-1602) on or about 20 Mar. Contact with guerrillas was made by elements 21st Regt near Bi Ho San (1179.5-1610.5) and main engagement was fought on 220840. During fire fight repts Kim Tal San KIA. Friendly losses: KIA 5, 4. Guerrilla losses: KIA 38, POW 5, M-1 rifles 6, ammo 340 rds, model 99 rifles 9, ammo 90 rds, model 38 rifles 7, ammo 80 rds, bar 1, carbines 2, pistols 2, mg 1, grenades 12.

Comment:

This engagement major blow to guerrilla oporations especially if Kim Tal San was killed.

Comment:

With continuing coastward movement guerrillas throughout ROK, possibility continuing bolstering water supply pte good, particularly Pohang area. This reminiscent frequent sub sightings Cheju vicinity summer and fall 1948 when guerrilla activity at peak on Cheju.
