I wish to take this opportunity to thank you for your recommendation regarding the action of the peace-loving people and the capable Officers of the 9th Regiment in CHE JU island. I, as an Officer of the heaviest responsibilty in the Army, recieved your information as one or the best tidings ever had since I assumed the present Orrice.

Lt Col SONG YOU CHAN and his American Adviser demenstrated their fine ability at the jeb, engaged in hard and painstaking in such a hostile island. Their historical work will be introduced to all Officers and men of the Korean Armed Forces by a statement of the Supreme C/S in the nearest future. I will also recommend President RHEE to issue a Presidential proclamation based on your suggestion.

I like to promise you that the Korean Army Headquarters will be informed Lt Col SONG's work in detail and will make a proper award.

It is with a great pleasure to write you this reply to your letter of 18 December which encouraged me to memind strongly my jeb for the development of the Korean Armed Forces.

If I at would always send in a translation of orders of interest to you, it would be easier to keep up with his action & know his thinking behind certain things. This is indicative, also, that he can keep you informed when he wants to. May it be a good idea to write him a memo thanking him, plus requesting this continuing to do so... particularly in transfer of Offs. & units of troops.
